

Studieplan HT 2011

Year 1

Modules	Contact hours	Independent learning hours	Total learning hours
Osteopathic Examination	68	152	220
Introductory practical subjects and	44	116	160
Osteopathic techniques	48	152	200
Study skills and examination strategy	20	10	30
Anatomy	108	202	310
Physiology and neural science	104	226	330
Biomechanics	36	94	130
Core osteopathic medicine	64	116	180
Guided workshop	30	-	30
Open workshop (non credited)	44	-	40
Clinic observation	10	-	10
Total	576	1068	1640

Year 2

Modules	Contact hours	Independent learning hours	Total learning hours
Osteopathic Examination	32	68	100
Palpation skills	44	76	120
Osteopathic techniques	100	260	360
Clinical examination techniques	80	160	240
Anatomy	108	202	310
Neural science	44	76	120
Biomechanics	24	76	100
Pathology	24	76	100
Core osteopathic medicine	40	60	100
Guided workshop	30	-	30
Open workshop (non credited)	44	-	44
Clinic observation	20	-	20
Total	590	1094	1684

Year 3 – Part 1

Modules	Contact hours	Independent learning hours	Total learning hours
Case history and Differential	72	128	200
Clinical examination techniques	40	80	120
Osteopathic techniques	56	144	200
Pathology and medical imaging	56	144	200
Core osteopathic medicine	20	30	50
Clinic observation	20	-	20
Guided workshop	12	-	12
Open workshop (non credited)	20	-	20
Total	296	526	822

Year 3 – Part 2

Clinical examination techniques	44	86	130
Osteopathic techniques	60	150	210
Pathology and medical imaging	40	110	150
Applied basic science	88	172	260
Clinic	138	92	230
Guided workshop	18	-	18
Open workshop (non credited)	24	-	24
Total	412	610	1022

Year 4

Modules	Contact hours	Independent learning hours	Total learning hours
Osteopathic techniques	148	202	350
Applied basic science	92	208	300
Core osteopathic medicine	32	68	100
Research module	52	198	250
Clinic	378	222	600
Total	702	898	1600

Year 5 – Part 1

Modules	Contact hours	Independent learning hours	Total learning hours
Osteopathic approaches	24	26	50
Applied basic science	40	80	120
Core osteopathic medicine	16	34	50
Research module	24	114	138
Clinic	235	165	400
Total	339	419	758

Year 5 – Part 2

Reflective Practice	12	100	100
Osteopathic specialities	100	200	300
Clinic	198	152	350
Total	310	452	750

BSc Conversion Course

Modules	Contact hours	Independent learning hours	Total learning hours
Advances in osteopathy	60	140	200
Dissertation	-	550	550
Total	60	690	750
